

Scholarships for Study Abroad

Bridging Scholarships for Study in Japan

<http://www.colorado.edu/ealld/atj/Bridging/scholarships.html>

Grants for undergraduates in any field to study abroad in Japan.

Freeman Awards for Study in Asia

<http://www.iie.org/programs/freeman-asia/default.htm>

Administered by the Institute of International Education, the new Freeman Awards program is open to undergraduate U.S. citizen or permanent resident applicants who can demonstrate financial need to study abroad for academic credit in Asia for summer, a semester, or an academic year. Priority will be given to applicants with no previous experience of Asia.
